

**Extended School Year**  
**June 4th - July 12th**

**Hosting School:**  
**Paul Revere Primary**

**7:45 AM Bus Arrival to School**

All stops were created using the residence that Cook County School District 130 has on file for our students that were invited to attend the Summer Programs. Stops should be within walking distance of your household. If you do not see a stop near your house and your child attended either Paul Revere Primary, Paul Revere Intermediate, or Veterans Memorial during the regular school year, you reside in a designated walking zone for Paul Revere Primary School.
