

Greenwood School News

February 2012

12418 Highland Ave. - Blue Island, IL 60406 (708) 385-3399, (708) 824-0972 (fax)

Parent Information

Students at Greenwood learned about animal coverings during a visit from Sand Ridge Nature Center.

We are still collecting the aluminum tabs for the Ronald McDonald Charities, so please keep sending them to school! This is not a fundraiser, but rather an opportunity for our school to contribute and give to others.

On Friday, February 17th, please check your child’s backpack for their 3rd Quarter Progress Report. Your child may receive a report if s/he is not currently performing satisfactorily in a subject. Please take the time to review and discuss the report with your child, sign, and return it to the classroom teacher. In addition, we also recommend that you make an appointment with your child’s teacher to discuss ways in which you can help your child improve in school.

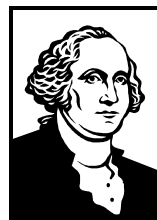

1000 Sight Word Challenge

Did you know that the first 300 sight words in English make up approximately 65% of all written material? Please join us in helping your child learn these words “by sight”, so that they will read more smoothly and with better understanding. As a result, reading will be more interesting and enjoyable. This week, you will be receiving a small packet of information regarding the 1000 Sight Word Challenge along with the potential rewards your child can earn as they learn!

Dates to Remember

February 9 @ 6:00-6:30pm—PTO Meeting at Paul Revere Primary

February 13—No School for Students

February 17—Progress Reports Go Home

February 28—PBIS Monthly Incentive

Morning Drop Off Reminder

The entrance door opens every morning at 8:05 a.m. Please make sure your child does not arrive earlier since supervision is not available until this time.
