Lincoln Elementary School - 2140 W. Broadway - Blue Island, IL 60406

Dear Parents,

The school year is quickly coming to an end and we are very proud of the accomplishments and hard work that our students have displayed during the year. The recent MAP scores that were recently sent home reveal phenomenal growth in both reading and mathematics. The Lincoln staff congratulates the Lincoln families for a successful academic year.

We have several activities planned for the end of the school year. Please refer to the school calendar that was sent to you last week for information on field trips, field day and the awards assembly. Soon we will be sending you registration materials for next school year. Please visit the district web site for the most updated information. I wish all the students, staff and families a restful and enjoyable summer. See you in the fall!

Sincerely,
Sam Berrios
