From the Principal's Desk

by Mr. Sam Berrios

Dear Parents,

We are in the month of March and that means the state tests. Our third grade students have been busy preparing for the tests. Our third grade teachers prepared several review activities for our children, and then a really fun ISAT kick off assembly. Students have been proudly wearing their ISAT boot camp t shirts, and every morning we repeat our phrase: "you know it, so show it!" Please encourage your child to do their best.

I want to thank all the parents who joined us for our PTO family fun night. It was a very entertaining and enjoyable evening for the children, parents and for the staff. Thank you to all the parents who volunteered their time to run the stations that evening. I encourage all the parents to attend out PTO meetings and activities.

Our next Parent Information Night will be on Thursday, March 31st at 6:30 pm. We will be talking about MAP testing and Powerschool. MAP is the test all children are taking three times a year. We will share examples on how to review the data. In addition, we will have a training session on how to use Powerschool, the computer program the district uses to record attendance, grades, and other things, Parents of students in third grade can sign in to review grades online. I hope to see you all then.

Please feel free to call, stop by or email if you have any questions or concerns. Go dragons!

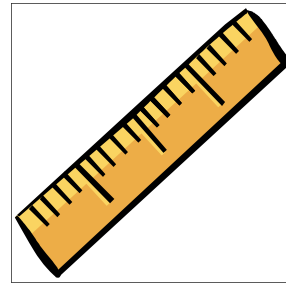

Sincerely,
Sam Berrios

We use complete sentences and college-level vocabulary!

Lincoln School teachers have posted signs in their classrooms to remind everyone that we should be using complete sentences when we speak. Modeling the use of complete sentences will help students in reading and writing as well. Ask your child about using complete sentences at school. In addition, teachers will be introducing college-level vocabulary during lessons and class discussions. Ask your children about the college-level words that they are hearing at school.
