## From the Principal's Desk

by Mr. Sam Berrios

Dear Parents,

November is already with us, and we are well on our way to a very successful academic year. Teachers and students have been hard at work and we are happy to see how much our kids are learning. In September we completed the first session of the MAP test. We will receive the results of the test during parent teacher conferences. Please see the note below for the dates for parent teacher conferences. Conferences are a wonderful opportunity to discuss your child's academic progress with the classroom teacher.

During the month of November we will have several fun activities taking place at Lincoln. Please refer to the school calendar to get information on the activities for this month. Our monthly PTO meeting will take place on November 15th at 1:15 pm. During this meeting, we will be having the election of PTO officials. All parents are invited to attend the meeting and to participate in PTO activities. Our music teacher is also organizing the Read to Succeed assembly, that will be held on Wednesday, November 16th. Students will be signing songs to demonstrate their love of reading. The school will be sending you a more detailed schedule of the assembly over the next few days.

In addition, the school book fair is also taking place this month. We will have books for sale that parents could purchase. When you visit the school for your conferences, please stop by the book fair.

Please contact the school if you have any questions or concerns.

Sincerely,  
Sam Berrios

This month, Mr. Berrios will be volunteering at the Blue Island Public Library on Thursday, November 17th, from 7:00 pm to 8:30 pm.

Mr. Berrios will be in the Children's department to help students with their work and to meet any parents who would like to stop by. We encourage parents to visit the Blue Island library often to take advantage of the great services they offer. And it's free!
