

Lincoln Elementary School News

Lincoln Elementary School - 2140 W. Broadway - Blue Island, IL 60406

From the Principal's Desk

by Mr. Sam Berrios

Dear Parents,

All of a sudden we are in October and the leaves are starting to change colors and the mornings are turning a little cool and crisp. Students at Lincoln School are settling down into their classroom routines and working diligently. We recently completed the MAP and AIMSweb assessments. Parents will be receiving the MAP test results in November during parent teacher conferences. Please contact your child's teacher if you have any questions about any of the assessments that were administered.

October also brings to us the Halloween activities. We have scheduled the Halloween celebration for the afternoon of Monday, October 31st. Please remember that students can only wear their costumes in the afternoon and that all costumes have to be safe and appropriate. We will be sending additional details to parents later in the month.

I want to use this opportunity to thank all the parents and volunteers who helped in the renovation of Portland Park. The Blue Island Park District and the Kaboom organization did a wonderful job organizing the remodeling. The assistance of over three hundred volunteers also made the activity a great success. It was wonderful to see the whole community involved in one common task.

I want to invite parents to the Fun and Information Night activity on Wednesday, October 19th at 6:30 pm. Parents from all grade levels are invited to attend. We will have games for the students to play and I will have a short informational session for parents. We will raffle prizes and other items for the children.

Please contact the school if you have any questions or concerns.

Sincerely,
Sam Berrios

We use complete sentences and college-level vocabulary!

Nurse's Notes

According to Illinois State School code – every student must have up to date immunizations, a health history provided by the parent and a physical examination on file as required by grade. If your student is missing any of these items and does not have those items in the school's health office by October 14, your student will not be allowed to attend school beginning October 15. Please contact the nurse if you have any questions.

Join Us for our School PTO meetings

Tuesday, October 11th
1:15 pm

All parents are invited to our monthly PTO meeting. In our October meeting, we will be organizing the activities for our October Fun and Information Night All parents are invited to come. We will be meeting in Room 115.

Blue Island Public Library

This year, Mr. Berrios will be volunteering at the Blue Island Public Library several times during the year. Parents are welcome to visit the Library.

Mr. Berrios will be at the Library on Thursday, October 20th, from 7:00 pm to 8:30 pm. Mr. Berrios will be in the Children's department to help students with their work and to meet any parents who would like to stop by. We hope to see many parents there.
