
PARCC Assessment Practice - Quick Reference Sheet

TO ALL PARENTS: The Practice Test was developed so that all students can experience the PARCC test the way they will appear on the tests in spring 2015.

The following links will allow your student to practice the PARCC Assessment in both reading and math. In addition, listed below are useful websites to practice using the technical skills your student will need in order to navigate the assessment.

How to access the PARCC Practice Tests:

⇒ For **English LA/Literacy** go to - <http://parcc.pearson.com/practice-tests/english/>

Select your grade level to view practice tests, Click Standard TestNav Version, Click **Start Test Now**

⇒ For **MATH** go to - <http://parcc.pearson.com/practice-tests/math/>

Select your grade level to view practice tests, Click Standard TestNav Version, Click **Start Test Now**

Listed below are website which provide games and/or demonstrate the navigational tools your student must use during the assessment.
